

# Fabulous February half term in The TreeHouse!

Great adventures and great days out with great friends ...

Excellent half term adventures for primary school children from reception to 11 years. Our timetable is packed with activities through the week offering brilliant opportunities for new skills and experiences.

Care for younger children, from babies to pre school, is available in the Sunflowers at Grafton nursery rooms.

Days shown as a block are only bookable as a full day either because we are Out & About or it is an all day activity.

Core hours are 9am - 4pm and cost £29.50 per child plus supplements where applicable. Half days are £15.75 per child. Mornings from 9am - 1pm and afternoons 12pm - 4pm.

If you need an Early Bird start then drop off at 7.50am for an additional £3.75 cost. If you need to add late afternoon and pick up at 6pm there is a further £6.75 charge.

Prices include snacks and hot lunch (or picnic lunch on Out & About days)

**WEATHER NOTE!** February activities have been planned to take account of likely weather (wet/cold) and current ground conditions at many of our favourite places (soggy/saturated!) Most of the planned activities are indoors but we will take advantage of any bright spots to get outside so remember to bring walking shoes/wellington boots and warm/waterproof layers.

When we are at home with Sunflowers at Grafton a range of outdoor games and activities, arts, crafts and a quiet corner for reading and being peaceful will also be available.

**Cancellations and absence** If you have to cancel at short notice (less than 1 week) we will try to fill the place. If we can fill the space you will not be charged but if not, payment in full is required. In the event of missed days due to sickness we are not able to offer a refund.
